† On behalf of the States Members of the United Nations that are members of the Gulf Cooperation Council.
‡ On behalf of the States Members of the United Nations that are members of the Group of Arab States.
§ On behalf of the States Members of the United Nations that are members of the Organization of Islamic Cooperation.

Reaffirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan, and recalling the declarations adopted at the Conferences of High Contracting Parties to the Fourth Geneva Convention, held in Geneva on 5 December 2001 and 17 December 2014,

Noting the accession by Palestine to several human rights treaties and the core humanitarian law conventions, and its accession on 2 January 2015 to the Rome Statute of the International Criminal Court,

Affirming that the transfer by the occupying Power of parts of its own civilian population into the territory it occupies constitutes a breach of the Fourth Geneva Convention and relevant provisions of customary law, including those codified in Additional Protocol I to the four Geneva Conventions,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory, and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Noting that the International Court of Justice concluded, inter alia, that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, had been established in breach of international law,

Taking note of the recent relevant reports of the Secretary-General, the Office of the United Nations High Commissioner for Human Rights, the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories and the treaty bodies monitoring compliance with the human rights treaties to which Israel is a party, and the recent reports of the Special Rapporteur on the situation of human rights in the Palestinian territories occupied since 1967,

Recalling the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,[1]

Expressing its grave concern at any action taken by any body, governmental or non-governmental, in violation of the Security Council and General Assembly resolutions relevant to Jerusalem,

Noting that Israel has been planning, implementing, supporting and encouraging the establishment and expansion of settlements in the Occupied Palestinian Territory, including East Jerusalem, since 1967, through, inter alia, the granting of benefits and incentives to settlements and settlers,

Recalling the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict, and emphasizing specifically its call for a freeze on all settlement activity, including so-called natural growth, and the dismantlement of all settlement outposts erected since March 2001, and the need for Israel to uphold its obligations and commitments in this regard,

[1] A/HRC/22/63.

Taking note of General Assembly resolution 67/19 of 29 November 2012, by which, inter alia, Palestine was accorded the status of non-member observer State in the United Nations, and also of the follow-up report thereon of the Secretary-General,[2]

Aware that Israeli settlement activities involve, inter alia, the transfer of nationals of the occupying Power into the occupied territories, the confiscation of land, destruction of property, including homes and projects funded by the international community, the forcible displacement of Palestinian civilians, including Bedouin families, the exploitation of natural resources, the conduct of economic activity for the benefit of the occupying Power, the disruption of the livelihood of protected persons, the de facto annexation of land and other actions against the Palestinian civilian population and the civilian population in the occupied Syrian Golan that are contrary to international law,

Affirming that the Israeli settlement activities in the Occupied Palestinian Territory, including East Jerusalem, undermine regional and international efforts aimed at the realization of the two-State solution of Israel and Palestine, living side by side in peace and security within recognized borders, on the basis of the pre-1967 borders, and stressing that the continuation of these policies seriously endangers the viability of the two-State solution, undermining the physical possibility of its realization, and entrenching a one-State reality of unequal rights,

Noting in this regard that the Israeli settlements fragment the West Bank, including East Jerusalem, into isolated geographical units, severely limiting the possibility of a contiguous territory and the ability to dispose freely of natural resources, both of which are required for the meaningful exercise of Palestinian self-determination, and deeply concerned by the magnitude, persistence and character of the settlement enterprise, which suggest that the occupation has been established with the intention of making it permanent in violation of the prohibition of acquisition of territory resulting from the use of force,

Noting that the settlement enterprise and the impunity associated with its persistence, expansion and related violence continue to be a root cause of many violations of the Palestinians' human rights, and constitute the main factors perpetuating Israel's belligerent occupation of the Palestinian Territory, including East Jerusalem, since 1967,

Condemning the continuation by Israel, the occupying Power, of settlement activities in the Occupied Palestinian Territory, including in East Jerusalem, in violation of international humanitarian law, relevant United Nations resolutions, the agreements reached between the parties and obligations under the Quartet road map, and in defiance of the calls by the international community to cease all settlement activities,

Deploring in particular the construction and expansion of settlements by Israel in and around occupied East Jerusalem, including its so-called E-1 plan, which aims to connect its illegal settlements around and further isolate occupied East Jerusalem, the continuing demolition of Palestinian homes and eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city, and ongoing settlement activities in the Jordan Valley, all of which further fragment and undermine the contiguity of the Occupied Palestinian Territory,

Expressing grave concern at the continuing construction by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, in violation of international law, and expressing its concern in particular at the route of the wall in departure from the Armistice Line of 1949, which is causing humanitarian hardship and a serious decline in socioeconomic conditions for the Palestinian people, is fragmenting the

wall being built in the Occupied Palestinian Territory, including in and around East Jerusalem, to dismantle forthwith the structure therein situated, to repeal or render ineffective forthwith all legislative and regulatory acts relating thereto, and to make reparation for the damage caused to all natural or legal persons affected by the construction of the wall;

5. *Condemns* the continuing settlement and related activities by Israel, including the expansion of settlements, the expropriation of land, the demolition of houses, the confiscation and destruction of property, the forcible transfer of Palestinians, including entire communities, and the construction of bypass roads, which change the physical character and demographic composition of the occupied territories, including East Jerusalem and the Syrian Golan, and constitute a violation of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and in particular article 49 thereof;

6. *Also condemns* the construction of new housing units for Israeli settlers in the West Bank and around occupied East Jerusalem, as they seriously undermine the peace process and jeopardize the ongoing efforts by the international community to reach a final and just peace solution compliant with international law and legitimacy, including relevant United Nations resolutions, and constitute a threat to the two-State solution;

7. *Further condemns* the adoption by Israel, the occupying Power, of measures the express purpose of which is to facilitate and authorize the ultimate annexation of Palestinian land, in contravention of peremptory norms of international law;

8. *Expresses its grave concern* at, and calls for the cessation of:

(*a*) The operation by Israel of a tramway linking the settlements with West Jerusalem, which is in clear violation of international law and relevant United Nations resolutions;

(*b*) The expropriation of Palestinian land, the demolition of Palestinian homes, demolition orders, forced evictions and "relocation" plans, the obstruction and destruction of humanitarian assistance and the creation of a coercive environment and unbearable living conditions, by Israel in areas identified for the expansion and construction of settlements, and other practices aimed at the forcible transfer of the Palestinian civilian population, including Bedouin communities and herders, and further settlement activities, including the denial of access to water and other basic services by Israel to Palestinians in the Occupied Palestinian Territory, including East Jerusalem, particularly in areas slated for settlement expansion, and including the appropriation of Palestinian property through, inter alia, declarations of so-called "State lands", closed "military zones", "national parks" and "archaeological" sites to facilitate and advance the expansion or construction of settlements and related infrastructure, in violation of Israel's obligations under international humanitarian law and international human rights law;

(*c*) Israeli measures in the form of policies, laws and practices that have the effect of preventing Palestinians from full participation in the political, social, economic and cultural life of the Occupied Palestinian Territory, including East Jerusalem, and prevent their full development in both the West Bank and the Gaza Strip;

9. *Calls upon* Israel, the occupying Power:

(*a*) To end without delay its occupation of the territories occupied since 1967, to reverse the settlement policy in the occupied territories, including East Jerusalem and the Syrian Golan, and, as a first step towards the dismantlement of the settlement enterprise, to stop immediately the expansion of existing settlements, including so-called natural growth and related activities, to prevent any new installation of settlers in the occupied territories, including in East Jerusalem, and to discard its "E-1" plan;

(*b*) To put an end to all of the human rights violations linked to the presence of settlements, especially of the right to self-determination, and to fulfil its international obligations to provide effective remedy for victims;

(*c*) To take immediate measures to prohibit and eradicate all policies and practices that discriminate against and disproportionately affect the Palestinian population in the Occupied Palestinian Territory, including East Jerusalem, by, inter alia, putting an end to the system of separate roads for the exclusive use of Israeli settlers, who reside illegally in the said territory, to the complex combination of movement restrictions consisting of the wall, roadblocks and a permit regime that only affects the Palestinian population, the application of a two-tier legal system that has facilitated the establishment and consolidation of the settlements, and other violations and forms of institutionalized discrimination;

(*d*) To cease the requisition and all other forms of unlawful appropriation of Palestinian land, including so-called "State land", and its allocation for the establishment and expansion of settlements, and to halt the granting of benefits and incentives to settlements and settlers;

(*e*) To put an end to all measures and policies resulting in the territorial fragmentation of the Occupied Palestinian Territory, including East Jerusalem, and which are isolating Palestinian communities into separate enclaves, and deliberately changing the demographic composition of the Occupied Palestinian Territory;

(*f*) To take and implement serious measures, including confiscation of arms and enforcement of criminal sanctions, with the aim of ensuring full accountability for, and preventing, all acts of violence by Israeli settlers, and to take other measures to guarantee the safety and protection of Palestinian civilians and Palestinian properties in the Occupied Palestinian Territory, including East Jerusalem;

(*g*) To bring to a halt all actions, including those perpetrated by Israeli settlers, harming the environment, including the dumping of all kinds of waste materials in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, which gravely threaten their natural resources, namely water and land resources, and which pose an environmental, sanitation and health threat to the civilian population;

(*h*) To cease the exploitation, damage, cause of loss or depletion and endangerment of the natural resources of the Occupied Palestinian Territory, including East Jerusalem, and of the occupied Syrian Golan;

10. *Welcomes* the adoption of the European Union Guidelines on the eligibility of Israeli entities and their activities in the territories occupied by Israel since June 1967 for grants, prizes and financial instruments funded by the European Union since 2014;

11. *Urges* all States and international organizations to ensure that they are not taking actions that either recognize as lawful, aid or assist the expansion of settlements or the construction of the wall in the Occupied Palestinian Territory, including East Jerusalem, and to continue to actively pursue policies that ensure respect of their obligations under international law with regard to these and all other illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem;

12. *Reminds* all States of their legal obligations as mentioned in the advisory opinion of the International Court of Justice of 9 July 2004 on the legal consequences of the construction of a wall in the Occupied Palestinian Territory, including not to recognize the illegal situation resulting from the construction of the wall, not to render aid or assistance in maintaining the situation created by such construction, and to ensure compliance by Israel with international humanitarian law as embodied in the Geneva Convention relative to the Protection of Civilian Persons in Time of War of 12 August 1949;

13. *Calls upon* all States:

(*a*) To distinguish, in their relevant dealings, between the territory of the State of Israel and the territories occupied since 1967, including not to provide Israel with any assistance to be used specifically in connection with settlements in these territories by, inter alia, regulating trade with settlements, consistent with their due diligence obligations under international law;

(*b*) To implement the Guiding Principles on Business and Human Rights in relation to the Occupied Palestinian Territory, including East Jerusalem, and to take appropriate measures to help ensure that businesses domiciled in their territory and/or under their jurisdiction, including those owned or controlled by them, refrain from committing, contributing to, enabling or benefiting from the human rights abuses of Palestinians, in accordance with the expected standard of conduct in the Guiding Principles and relevant international laws and standards, by taking appropriate steps in view of the immitigable nature of the adverse impact of their activities on human rights;

(*c*) To provide guidance to individuals and businesses on the financial, reputational and legal risks, including the possibility of liability for corporate involvement in gross human rights abuses and the abuses of the rights of individuals, of becoming involved in settlement-related activities, including through financial transactions, investments, purchases, procurements, loans, the provision of services, and other economic and financial activities in or benefiting Israeli settlements, to inform businesses of these risks in the formulation of their national action plans for the implementation of the Guiding Principles on Business and Human Rights, and to ensure that their policies, legislation, regulations and enforcement measures effectively address the heightened risks of operating a business in the Occupied Palestinian Territory, including East Jerusalem;

(*d*) To increase monitoring of settler violence, with a view to promoting accountability;

14. *Calls upon* business enterprises to take all necessary measures to comply with their responsibilities under the Guiding Principles on Business and Human Rights and other relevant international laws and standards with respect to their activities in or in relation to the Israeli settlements and the wall in the Occupied Palestinian Territory, including East Jerusalem, and to avoid contributing to the establishment, maintenance, development or consolidation of Israeli settlements or the exploitation of natural resources of the Occupied Palestinian Territory;

15. *Requests* that all parties concerned, including United Nations bodies, implement and ensure the implementation of the recommendations contained in the report of the independent international fact-finding mission to investigate the implications of Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem, and endorsed by the Human Rights Council through its resolution 22/29, in accordance with their respective mandates;

16. *Calls upon* the relevant United Nations bodies to take all necessary measures and actions within their mandates to ensure full respect for and compliance with Human Rights Council resolution 17/4 of 16 June 2011, on the Guiding Principles on Business and Human Rights and other relevant international laws and standards, and to ensure the implementation of the United Nations "Protect, Respect and Remedy" Framework, which provides a global standard for upholding human rights in relation to business activities that are connected with Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem;

17. *Takes note* of the statement of the Working Group on the issue of human rights and transnational corporations and other business enterprises in follow-up to Human Rights Council resolution 22/29;

18. *Decides* to convene, at its thirty-sixth session, a panel discussion on "Israeli settlement activities in the Occupied Palestinian Territory, including East Jerusalem", and requests the Office of the United Nations High Commissioner for Human Rights to liaise with States and all stakeholders, including relevant United Nations agencies, funds and programmes, special procedures of the Human Rights Council, national human rights institutions and civil society, with a view to ensuring their participation in the panel discussion;

19. *Requests* the High Commissioner to report on the implementation of the provisions of the present resolution, with particular emphasis on the policies and practices linked to the settlement enterprise that discriminate against the Palestinian population in the Occupied Palestinian Territory, including East Jerusalem, at its thirty-seventh session;

20. *Decides* to remain seized of the matter.
